

**“Pride Before the Fall”**

**Judges 16**

October 10, 2021

Sin makes failures and fools of us all, but God graciously still hears our cry from the pit.

*Four lessons on sin...*

I. Sin is **ADDICTIVE**, prompting us to become increasingly reckless. (1-3)

II. Sin is **ATTRACTIVE**, prompting us to play games when we should run away. (4-14)

III. Sin is **PRESUMPTIVE**, prompting us to assume we'll always have another chance.  
(15-22)

IV. Sin is an enslaving power... but there is One who's **GRACE** is greater than all our sin. (23-31)
